Dear Ms. NASH:

This responds to your 11/16/18 letter in which you requested an update as to the status of your Freedom of Information Act (FOIA) request to the Department of Homeland Security (DHS), dated August 17, 2018, and received in this office on August 22, 2018. Your request sought records related to civil immigration arrests by U.S. Immigration and Customs Enforcement ("ICE") agents that occur within, on the property of, or within two city blocks of New York State courthouses (see request for specific details).

For your information, we have queried the appropriate component of DHS for responsive records. If any responsive records are located, they will be reviewed for determination of releasability. We will process your request as expeditiously as possible. Upon completion of the processing, all documents that can be released will be made available to you at the earliest possible date. We sincerely apologize for the delay you are experiencing and appreciate your continued patience.

Your request has been assigned reference number **2018-ICAP-00426**. Please refer to this identifier in any future correspondence.
